Tēnā koe Kayla

I have now completed the process of making my 2024 appointments for Conservation Boards.

I would like to take this opportunity to thank you, as an outgoing member, for the invaluable contribution you have made on the Board during your term.

I have been informed that you have supported the Board's social media by providing conservation content on their Facebook page and engaged with your local communities and supported conservation projects. In July 2023, alongside Te Whanau a Rangiwhakaahu Hapū, Matapōuri Kaitiaki, Department of Conservation (DOC) and Whangarei District Council (WDC) you supported hapū and community group aspirations to restore the natural biodiversity of the dune areas in Otito and Te Wairoa reserves in Matapōuri. Your work has been greatly appreciated.

I hope that you have found your time on the Northland Conservation Board rewarding and that you will continue your interest in its work, and conservation in general.
